## President's Note

Hello woodturners,

I hope everybody who came to the picnic had a great time. A big thanks to Dan & Joanne for hosting. We had perfect weather and lots of food and good conversations.

It's hard to believe September is half over. Fairs, craft shows and yardwork will be consuming our time for the next few months.

We are working on a few more pen turning events before the end of the year. More info to come.

Dan has volunteered his shop to have another workshop in October. I hope you can join in on the fun. We will finalize it at the meeting.

This November we will be voting on new board members. Let us know by the October meeting if you would be interested in volunteering in supporting our club or if there is something you could do to help out. On that note I would appreciate feedback on what we can do to improve the club. Your vote counts.

We will have a couple of club challenges coming up this fall. First is a "10 cent pen" or a stick pen using an insert from a cheap Bic type pen. I will provide the insert, you provide the wood and the creativity. These are fun to make. Then a "Christmas ornament" or just any type of hanging ornament, whatever theme you like.

I hope you will accept the challenges and join in on the fun.

See you soon

John Webber
